

MDHA CONSERVATION APPLE TREE PROGRAM

The MDHA Apple Tree Program is up and running for 2025!

This programs is provided to help you, our members, get trees at a discounted rate for planting on your properties to benefit whitetail deer and your hunting this fall.

Trees are \$33 per tree for 2025. Trees are 5'-8' bareroot stock. All varieties are hardy for all Minnesota planting zones.

Pickup will be at locations in Coon Rapids, Grand Rapids and Wadena. We will notify you of the pickup date. There will be NO REFUNDS on orders that are not picked up.

Trees are not guaranteed. Proper care from pickup to planting and watering is vitally important to survival. It is your responsibility to take proper care of your trees. MDHA will provide handouts on how to care for your tree as well as have them available on the MDHA website.

New this year is the option to order online! Visit the What We Do | Apple Tree section of mndeerhunters.com.

Questions? Contact...

Greg Olson
Conservation Tree Program Coordinator
greg.l.olson@icloud.com

or

Bri Stacklie
MDHA Conservation Program Coordinator
bri@mndeerhunters.com / 218.259.1368.

Trees are limited to 4 per member! First come, first serve!
